# CF320 Application Tape

Single side embossed, dimensionally stable clear polyethylene filmic application tape. Suitable for transferring cast and calendared PVC sign vinyls.

## Features:

- Embossed surface allows easy unwinding of film. Static charging of the rolls is prevented.
- The film has a high tensile strength which ensures exact positioning of all letters. Excellent lay-flat properties aid easy application.
- Modified acrylic adhesive ensures an even and constant adhesion which will not leave any residue when removed from the graphic.
- Suitable for dry and wet application.
