ORALITE® VC 170

The ideal multi-purpose reflective material. It can be applied to smooth or unpainted metal surfaces, in any variety of outdoor or indoor situations where reflectivity is desired. There is no limit to its use e.g. lamp posts, gates, fire hydrants etc.

Product benefits include:

- Outstanding long distance night-time visibility
- Easy to handle and apply
- No edge sealing required
- Easy to cut
- Single layer prismatic construction with adhesive backing

ORALITE®
